ABOUT US

Tagore International School (Sen. Sec.) established in 2001 under the aegis of Tagore Group of Schools, is one of the top ranked educational institutions of the region. The school provides a truly enabling environment to contribute to the holistic development of each student. The school owns a modern building housing a striking Sports Complex, state-of-the-art infrastructure including spacious classrooms, well-equipped laboratories and many more such amenities. Apart from its enormous campus, the school is also accountable to the challenge of moulding students to be life-long learners by developing their knowledge and skills as academic achievers, progressive thinkers, effective communicators and empowered citizens.

ACADEMIC PROGRAMMING

Like many other schools, Tagore International School (Sen. Sec.), is currently following the pattern of fifteen years of schooling starting with 1 year of Nursery followed by 2 years of Junior and Senior Kindergartens and then 12 years of Secondary and Senior Secondary Schooling, based on the CBSE pattern of instructions.

The broad and balanced school Curriculum sets the direction, establishes the goals, implements a strategy for getting from where a child is, to where he aspires to be. With this vision, a replica of ACADEMIC CURRICULUM OR SYLLABI has been provided to the students and parents through which they can pre-plan their course of action timely.

Our efforts are to encourage all children to realise their true potential and seek educational challenges. For which, we evaluate the students' learning from time to time through MONTHLY, PERIODIC AND TERMINAL ASSESSMENTS which are also provided in the Calendar.

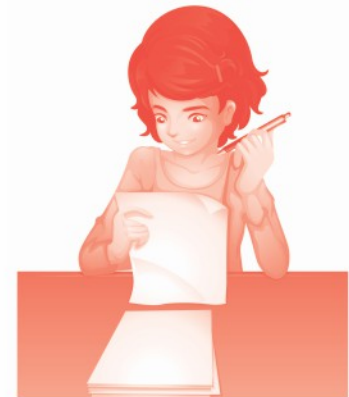

CO-SCHOLASTIC PROGRAMMING

A synergistic mix of Sports, Music, Dramatics, Dance and Computers with academic classes completes the picture of overall growth at Tagore Global School as these sort of co-curricular activities not only improves the learning experiences of the students but also helps them to identify and develop their inner-talents like creative and public-speaking skills, leadership skills etc. Co-curricular activities offer them an opportunity of thinking unusually and getting the innovative ideas of their own. The students and parents can prepare for such Co-Scholastic activities beforehand as per the scheduled lists of activities provided in the CO-SCHOLASTIC ACTIVITY CALENDAR.

Thus, Tagore Global School (Sen. Sec.) stands committed to prepare the young learners to act in accordance with a personal philosophy that reflects the understanding of ethical implications of various disciplines to make Tagorians an epitome of paramount importance in the rat-race towards success.

RULES AND GUIDELINES FOR EXAMINATION

1. Students are supposed to report in proper uniform during examination days else they will not be allowed to appear in the examination.
